The diagram illustrates the progression of skill training and conditions. It is divided into two main sections: **SKILL TRAINING** and **CONDITIONS**.

**SKILL TRAINING:** This section shows a sequence of 12 dots representing skill levels. The first three dots are labeled "Trained Skill", the next three are "Expert Skill", and the next three are "Master Skill". The final three dots are labeled "In Progress". Arrows indicate the progression from "Trained Skill" to "Expert Skill", and from "Expert Skill" to "Master Skill".

**CONDITIONS:** This section shows a sequence of 12 dots representing conditions. The first three dots are labeled "Cured", the next three are "In Treatment", and the next three are "Conditions". Arrows indicate the progression from "Cured" to "In Treatment", and from "In Treatment" to "Conditions".
